BOOKPRESENTATION FORT VAN SJAKOO:

"WORSHIPPING POWER: an anarchist view of
early state formation"
By Peter Gelderloos

Friday June 9th 2017, start 17:00 o'clock

According to *Worshipping Power*, we need to stop thinking of the State as a potential vehicle for emancipation. From its origins, the State has never been anything other than a tool to accumulate power. Peter Gelderloos will have a talk about this and will present more of his book. There will be room for debate and discussion as to what this means for us anarchists

The talk/discussion will be in English
